## - for science planning

Overview of national permit systems  
in all arctic countries

INTERACT GIS – Information about  
all INTERACT member stations

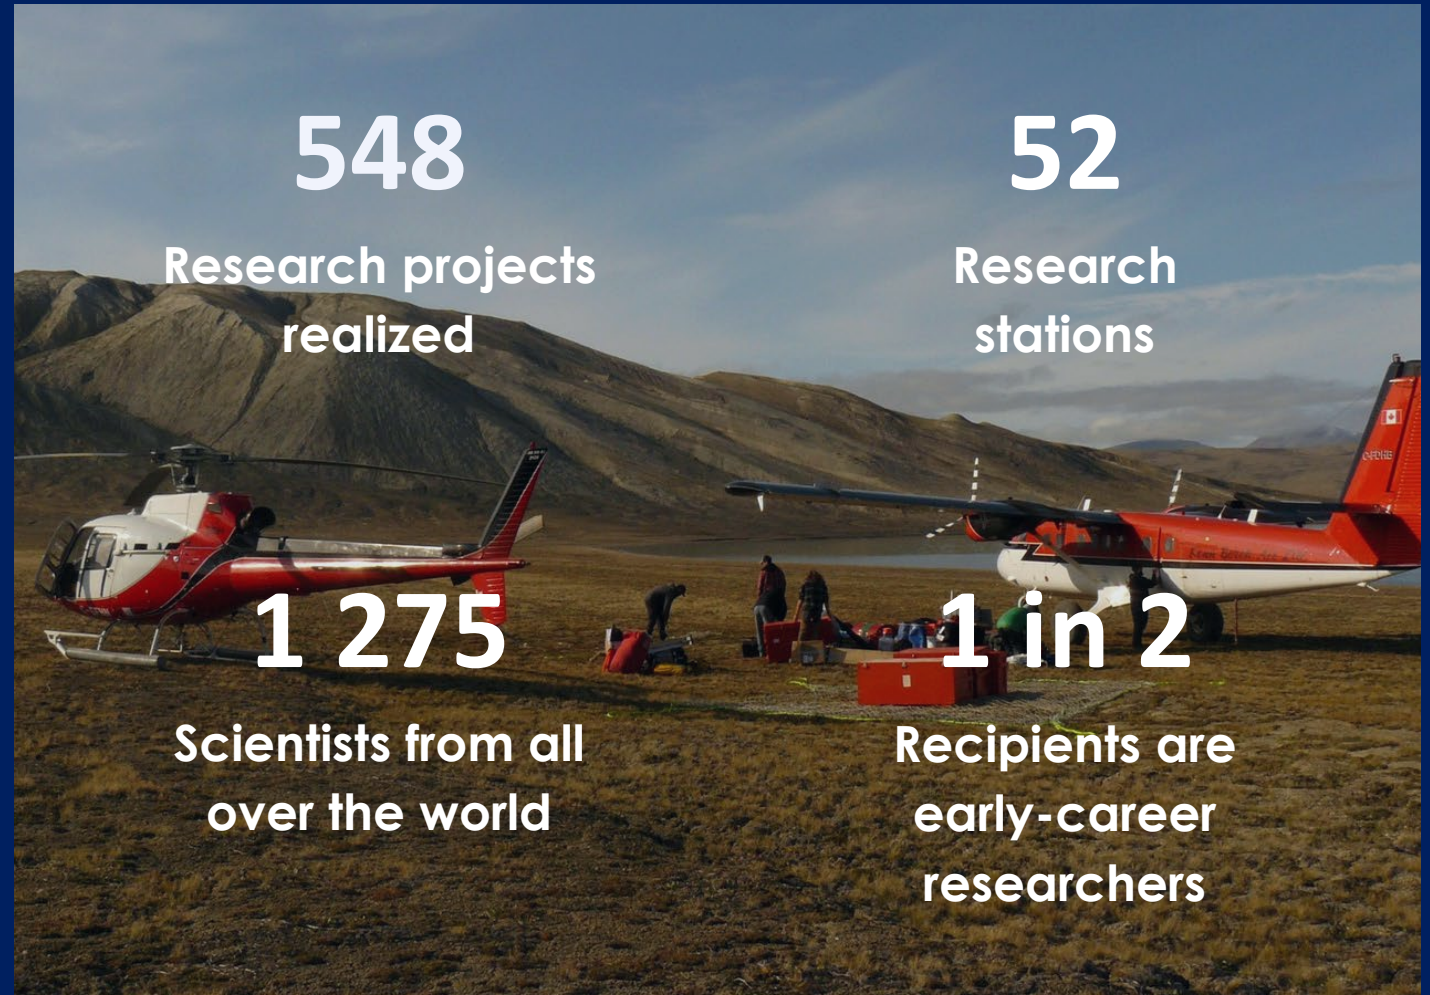

- Includes a search tool to identify research stations  
relevant to your scientific needs

# INTERACT ACCESS IN NUMBERS

The INTERACT Non Profit Association supports travel and logistics expenses, accommodation, and use of station's equipment and facilities.

between 2011 and 2024

# INTERACT Association Access Program

**1st pilot Access call opening on 1st May 2025**

The INTERACT Non Profit Association will open its first pilot call. The first pilot call is **dedicated to support Early-Career Researchers**, defined as scholars with <5 years since PhD.

The pilot call is expected to support up to **3 research projects in 2026 field season.**

INTERACT continue to be open for  
new partnerships and collaborations

Let's INTERACT
